Are you a cultural heritage archive?

Are you a social science researcher?

Are you a teacher?

Are you a digital creative mind?

Are you an IT expert?

Are you a citizen of Europe or a traveler?

Do you like to play?

Do you like to discover urban spaces and cities?

Do you like history?

Come help us push the limits of what
we can learn through audiovisual content.

SPRING 2018,

the I-Media-Cities platform will offer you

• Access to large media collections
• Advanced automatic analysis technologies
• Easy-to-use and innovative tools
• An interactive eco-system
• Opportunity to enrich content (tag, contextualize and
  add information to films, screenshots and images)
• Multilingual searches and information
• Dynamic and interactive maps, timelines
• Virtual exhibitions

I-Media-Cities will also launch a dedicated e-environment for social science researchers

• Personal workspace in a protected environment

• Access to large, high quality, digitized cultural
  heritage collections

• Specialized research tools: automatic moving images
  analysis, object detection and tracking

• Comparison of content from 9 cities

• Add to and share research on film
  and segment levels

• Create and manage personal collections

COMING SPRING 2018!

Contact us for any information and register now to
become a beta-user or so we can keep you posted!
